Neighbourhood CIL - Payments and Returns

Dear Sara Glover,

You are receiving this letter as a payment of Neighbourhood CIL has been made to yourselves in accordance with Regulation 59A of the Community Infrastructure Levy Regulations 2010 (as amended 2019).

The table below outlines all payments made to yourselves and spend deadline dates for each amount of CIL that has been paid to you. Please be aware that you are required to report on CIL spending to satisfy Regulation 59E that states that after a period of 5 years from payment of Neighbourhood CIL the Charging Authority may claim back any unspent Neighbourhood CIL. Any monies that are recovered by the County Council will be used to support the development of the area of the local council they are recovered from by funding infrastructure that as defined in Regulation 59E.

The table outlines the dates payments were made to yourselves, the amount paid, the amount you have reported to us as spent up to 31/03/2022 and the spend deadline date. Please note the date paid is shown as the end of each 6 month CIL collection period to ensure that our end of financial year records comply with the CIL regulations. However the 5 year spend deadline date is from the date the amount was passed to the Town/Parish Council.
