003/21 Public Open Forum

Peter Vickers introduced himself as a new resident to the village who is interested in in the work of the Parish Council.

004/21 Minutes of the last meeting 4 January 2021.

**Resolved.** To accept and sign as a true record.

005/21 Matters arising from the minutes not on the agenda

163/20

Meeting held with EWPC, Army and CSEllis. Resulting highway improvement request has been submitted to RCC via letter and online report process. These have been acknowledged. And we wait for a response.

006/21 Update from the Army

No update other than the fact that CW will be reassigned to the RSM post on the barracks as of 1<sup>st</sup> April. He will continue to work with the parish council on ceremonial issues, Remembrance Day etc. The replacement welfare liaison officer Gary Rutherford will be joining us at the next parish meeting alongside CW and will take over on the 1<sup>st</sup> April.

007/21 Neighbourhood Planning Committee (NPC) update.

DRAFT minutes of last meeting 9 February.

Next meeting will be 9 March 2021. 7.00pm via Zoom.

**Minutes noted.**

**Action.** There are two amendments that have been brought to CG attention. And will be approved on 9<sup>th</sup> March

008/21 St George's Barracks Committee.

An inspector has been appointed but we have not yet been given the details. We await the date for the hearing but understand there may be up to a 6 month delay. A committee meeting will be called when we have a hearing date.

009/21 To discuss planning applications received

**2021/0011/CAT PROPOSAL:** Re-pollarding of eight (8) lime trees overhanging the public footway on Rectory Lane to previous pollard point. Removal of large bush within garden to clear overgrown area. Trimming of dead Jericho (Sycamore) Tree in garden - dead branches are liable to drop and pose a hazard.

Orchard Close 8 Weston Road Edith Weston Rutland LE15 8HQ

Comments by 4 February

**Resolved.** No objection. **CG** to action with the following comments: Edith Weston Parish Council have no objection to the application. **NOTE: Due to the deadline on comments this application was discussed and decided outside the meeting.**

**2021/0029/CAT PROPOSAL:** Tree 1 - Silver Birch - Fell - is very close to our driveway and neighbours garage and this has previously caused concern to them.

Trees 2 and 3 - Leylandii - Fell - Both are very close to border fence and outbuilding. Tree 4 - Plumbtree - Fell - The tree trunk is damaged and needs to be replaced with another Plumbtree.

Tree 5 - Unknown species of evergreen which produces red berries - Fell - This has been planted too close to an original feature wall and the house and blocks out considerable light.

Tree 6 - Silver Birch - Fell - This has been planted too close to two original feature walls. We intend to relay and replant smaller, manageable trees and shrubs to replace those taken out.

Good Evening,

I am writing to you to seek permission to place a geocache on the bench in front of the town hall in Edith Weston. I have attached a picture showing the exact location (Circled in yellow).

The cache I intend to place is a 5mm tube wrapped in black tape with a magnate attached.

Geocaching is the world's largest treasure hunt, it came to the United Kingdom from the United States over 10 years ago. People hide small waterproof containers with a log book inside for people to find, sign and replace. Geocache listing websites have their own guidelines for acceptable geocache publications. Government agencies and others responsible for public use of land often publish guidelines for geocaching, and a "Geocacher's Creed" posted on the Internet asks participants to "avoid causing disruptions or public alarm".<sup>[70]</sup><sup>[71]</sup> Generally accepted rules are to not endanger others, to minimize the impact on nature, to respect private property, and to avoid public alarm.

I permission is granted I will ensure the cache does not cause a nuisance, harm or in any way inconvenience the running of the Town Hall. As I live local in Edith Weston I will ensure that the cache is in good order.

I look forward to hearing from you soon.

Kind Regards

Dear Cathie

Sorry to bother you but I am currently working on the PCC Accounts for last year and wonder whether any progress has been made yet regarding our request for the Parish Council to consider payment of its usual grant towards maintenance of the Village Cemetery. Please refer to our email of 23 November, copied below.

Best wishes, stay safe,  
David

Dear Cathie

In recent years Edith Weston Parish Council has kindly made a grant towards the cost of maintaining the Village Cemetery.

This grant has been a very welcome contribution to our funds and, on behalf of the PCC, I wish to request that the Parish Council give consideration to the award of a grant for this purpose from its current budget.

The cost of Cemetery grass cutting in 2020 has been £562.44 as shown on the two accompanying invoices.

Yours sincerely  
David Forbes  
PCC Treasurer

## Tommy's Close Grant Application Request

**Peter Shepherd** <Peter.Shepherd@michell.com>

To: Edith Weston Parish Council &lt;ewpcclerk@gmail.com&gt;, Paul Boggust &lt;paul.boggustew@gmail.com&gt;

Cc: Anne Donalson &lt;anneedonaldson@yahoo.co.uk&gt;

Dear Paul and Cathie

Firstly, I have emailed to yourselves as Chairman and Parish Clerk and not full PC council to limit unnecessary email traffic

Attached is the application for funds to assist in rebuilding Tommy's Close Playground – the original can be dropped into any house in the village as needed – just advise who it should go to?

Again to keep things simple, as you are very busy I have summarised the situation and rational for the request

1. Since we last spoke following good feedback from villagers, we have changed the approach to create separated areas for the older and younger children, which is wholly rational. Attached is a sketch of the design and you will see and understand the reasoning behind this. The remit of the Trust is **"to create recreational areas for all ages"**

In summary you take the older rough and tumble football/basketball area away from the younger children/toddler area

2. As Trustees, we fully appreciate the challenges you have on now both workload and financially, but on the basis that this is **a request for a grant**, it very important that we do not self-censor the request, as you might have alternative sources of funding that we are not privy to and you need to understand how much is needed for the rebuild.

3. Also attached is the requested confidential bank statement and you can see that down to some very generous donations from the villagers, including £1500 from the Ellis family, funds are building and also attached is a new poster, which will be delivered next week in the village

We are hoping that a good proportion of villagers will donate through the use of Amazon Smile

If there are any questions about this grant request, then please feel free to contact me on below

4. On a separate yet important subject within 2 week 15 new fence posts will be installed to improve security around the perimeter of the field for sheep coralling

Dear EWPC,

We would like to provide you with an update in respect to the above mentioned subject.

Highways and their drainage contractor recently visited site in order to investigate the flooding in this area. It was found that the kerb side drains are operational, and that they outfall into a drainage ditch. The ditch requires digging out in order for the drains to have a clear outlet in which to drain the excess surface water into. We have already raised an instruction with our main contractor to undertake the necessary works. Please note the instruction has been raised on a three month works order.

Kind regards

Donna Ullah | Highways Technician
