Sara

Having had another look at our grant application and considering our next projects, I wondered if a figure of £2,500 was available as we could then fully fund the heating in the toilets, which is one of our most repetitive feedback comments from the community after use of the hall.

Re the TPO, I'll chase things up directly, particularly after you making such a valid point for their protection.

Kind regards
Richard D Bonser

Thank you Richard. I'll put this on the agenda.

I'm sending you a separate email re the TPOs.

Many thanks

Sara
