1. The Chair welcomed everyone to the meeting.

2. The Chair of the Parish Council gave his Annual Report. The report concluded with a brief presentation to Mrs D. Crowden to thank her on behalf of the Parish Council and the community for all her work on the Parish Council over many years.

3. Public Forum

The following items were discussed:

- a) IL asked for an update on the cutting on the grass verges in the Parish. BS confirmed that there had been a disagreement between the Parish Council and RCC on the grass cutting map provided by RCC. There were clearly some areas where it is no longer possible to cut the grass as these are now paved. BS has raised this with RCC but has not received a response. GF confirmed that the

Parish Council still wishes to take over the contract for grass cutting in the Parish, and it is hoped to achieve some economies of scale by preparing a contract which would also include grass cutting in Tommy's Close, the churchyard and the cemetery. GW agreed to raise the matter of the map with RCC.
