65/20. Matters arising from the minutes not on the agenda

- Lorry Parking on SGB.

Question from Sue Walling regarding the current planning application for lorry parking at SGB. “do you know when the application is going to the planning committee? I assume this will be the next stage. If so are EWPC able to make a deputation at this meeting to present the village viewpoint?”

CG confirmed that she has emailed Darren Burbeary the Officer dealing with the application asking the question but has had no response to date.

- Complaint letter to RCC regarding the lack of an Equalities Impact Assessment in the preparation of the updated Statement of Community Involvement (SCI)

The letter has been sent however there has to date been no response.

66/20. Update from the Army

- KM will be moving to another post. He will be introducing his replacement to CG in due course and, should the need arise will continue to attend the parish meetings himself until his replacement is in position.
- The 1st Military Working Dogs Regiment has informed the Parish Council that the Air Field at St Georges Barracks will be **out of bounds for the period of 11th to 15th July 2020** due to a Military Exercise taking place.
- The MOD is currently fitting the Air Field with a warning system similar to that

used on all Military Ranges that will indicate when the Air Field is or is not safe for public access. There will be signage explaining that when the Red Flag is displayed the Air Field will be closed to members of the public for their own protection. This will enable the Regiment to continue training and exercise activities, whilst granting public access when safe to do so.

- KM also thanked CG for including him in emails she has had with the Military Provost Guard Services (MPGS) about security concerns on the Ullswater, Windermere and Derwent estates due to the development works currently ongoing there. CG has made MPGS, DIO and Rutland Police aware of resident's security concerns that had been brought to the parish councils attention over the weekend.

67/20. Neighbourhood Planning Committee update.

Nothing to report.

68/20. Future of St George's Barracks update.

JG reported that she understood that a campaign called Fight 4 Rutland had been launched today to make sure people are aware of the Local Plan consultation.

The (SCI) is currently out for public consultation until 17th July is a key part of the Local Plan consultation. RCC have had to renew the SCI because it was out of date and cover alternative methods of consultation should we remain in lock down. In light of concerns highlighted about the process RCC wish to follow regarding this and future consultations JG and JS would like permission from the EWPC to send a letter to Oliver Hemsley, Local Government Association and the Monitoring Office regarding their string and serious complaint. JG emphasised this was in addition to the letter EWPC sent to Oliver Hemsley regarding the lack of Equalities Impact Assessment. The letter are linked but two separate issues. EWPC will also be putting both issues through the official complaint's procedure.

The Public consultation for Local Plan is due to start on the 3rd August for 6 weeks. EWPC have a lot of work head to best represent and protect the interests of the residents.

Internal Audit Report

(to be read in conjunction with the Annual Internal Audit Report in the Annual Governance and Accountability Return)

LRALC Internal Audit Service

Name of council:	Edith Weston		
Name of Internal Auditor:	Joan Edwards	Date of report:	02/06/2020
Year ending:	31 March 2020	Date audit carried out:	01/06/2020

Internal audit is the periodic independent review of a council's internal controls resulting in an assurance report designed to improve the effectiveness and efficiency of the activities and operating procedures under the council's control. Managing the council's internal controls should be a day-to-day function of the staff and management and not left for internal audit.

The council is required to take appropriate action on all matters raised in reports from internal and external audit and to respond to matters brought to its attention by internal and external audit. Failure to take appropriate action may lead to a qualified audit opinion.

To the Chairman of the Council:

Due to the United Kingdom being in lockdown as a result of the COVID-19 pandemic, this audit was conducted remotely, initially by researching documents available on your website and subsequently by reviewing documentation submitted by your clerk and followed up by a virtual meeting conducted using Zoom.

Firstly, we need to address the outstanding comments from your 2019 audit.

Last June your parish council records were in some disarray because of your clerk being off sick and the temporary clerk not doing a satisfactory job. At the time the audit was conducted your permanent clerk had just returned to work and was trying to put matters right. From a remote inspection of your website and meeting minutes it appears that there are significant gaps and some key documentation appears to be missing or has not been reviewed.

In the minutes of your annual meeting, the process and allocation for the review and approval of the following documents should be made. Generally, a member or members of the parish council will be allocated this task and a date agreed for the reviewed documents to be put before the council for approval. The auditor was not able to find any evidence of this process.

Risk Management Policy and Risk Register
 Asset Register
 Standing order adoption
 Review of financial regulations
 Equal Opportunities Policy
 List of member interests
 Review of insurance policy
 Transparency Code

Your clerk is still settling into the post and has quite a task ahead of her to ensure that the required documentation is created, reviewed, and agreed by 31st March 2021. I propose that Cathie is given time to obtain standard templates for this documentation, tailor it to Edith Weston Parish Council's requirements and then present it to the parish council for review and adoption. I am prepared to arrange an interim audit in the autumn to review the processes.

I would like to thank Cathie for sending Section 2 – Accounting Statement 2019/20 and other supporting documents to assist in the preparation of this audit.

It was agreed prior to audit that the auditor would only audit against the requirements laid out on the Annual Internal Audit Report (internal control objectives)

Observations to consider from this audit.

1. There was no evidence that VAT had been claimed for this financial year, as a result the requirements of B have not been achieved.
2. The Risk Assessment provided prior to the audit is not adequate, the auditor did provide Cathie with a template to modify to Edith Weston Parish Councils requirements, therefore the requirements of C have not been achieved.
3. It might be helpful to state in the annual meeting that the parish council does not have any assets and therefore does not require an Asset Register.
4. It was believed that the previous clerk had certified EWPC as exempt from a limited assurance review for 2018/19, however we were not able to confirm this.

Conclusion

Edith Weston continues to be heavily involved with the proposed development of St George's Barracks, It is understood that this is a very important and personal item to EWPC, however it must not be allowed to distract the parish council from attending to the mandatory requirements of running the parish council

This report is based on the evidence made available to me. It would be incorrect to view internal audit as the detailed inspection of all records and transactions of a council in order to detect error or fraud. Consequently, the report is limited to those matters set out.

Yours sincerely,

J. L. Edwards
