

November 2024

Welcome to your Rutland Rural South police e-newsletter.

## #yousaidwedid - Beat Priorities

This month sees the quarterly update of our beat priorities. Every 3 months we assess our crime figures, local intelligence and results of Neighbourhood Link surveys to give us a picture of what has been happening, and what we need to focus on going forward.

Neighbourhood Link surveys play a **huge** part in our decision making here, it's our main conduit for capturing residents views and allows you to have a say in what we should be doing, and where we should be doing it.

Our 3 priorities for the next quarter are:

**Road Safety** - Primarily speeding in around our villages, but also dangerous and inconsiderate driving, and a focus on minimising collision risk for cyclists and other non vehicular road users

**Anti Social Behaviour** - Specific incidents between neighbours, but also wider environmental and noise complaints, and an emerging issue of responsible dog ownership and proper control in public places

**Vehicle Crime** - Theft of vehicles, theft of tools from tradespersons vehicles, fuel thefts on the A1 corridor, theft utilising RF scanner devices, but also abandoned vehicles having committed trespass on fields.

Some of our work on these topics will be around education and you will see prevention and safety advice across our social media channels, but we will also be looking at speed enforcement in hotspot areas, ANPR monitoring and proactive overt and covert patrols.

Watch this space!

## Neighbourhood Link

We continue to encourage local residents to have their say through Neighbourhood Link surveys, our aim is to keep all residents that have signed up to this aware of issues happening in Rutland.

Our policing priorities are set every quarter following returns of Neighbourhood Link surveys, along with crime pattern analysis data and issues highlighted by our professional partners.

The more results we have from surveys, the better informed we are as to where to target resources.

## Neighbourhood Link Community Messaging Service

Receive the latest news,  
updates and events information  
direct from the police

Leicestershire  
**Police**  
Neighbourhood Link

### Benefits of signing up:

- ▶ Keep updated about police activity in your local area
- ▶ A trusted source of the latest crime reduction tips and advice
- ▶ Share your views and have your say through our surveys
- ▶ Choose to receive updates from partner organisations like Action Fraud

### Remember:

- ▶ It's fast to register, and free to use
- ▶ It's a secure system. We'll never share your details without your consent
- ▶ You can unsubscribe at any time
- ▶ If you're already signed up, get local family and friends involved
